

American Cemeteries Where Many Trentini Families Are Known to Be Buried

With links to them on Find-A-Grave

I compiled the following list of cemeteries in North and South America from suggestions made by our [Trentino Genealogy community on Facebook](#). It is not intended to be a comprehensive list of every cemetery where every Trentino immigrant has been buried, but rather a list of cemeteries where many are known to be buried, as they are near communities (often mining towns) in which Trentini lived when they first moved to the Americas.

Apologies for their being only one cemetery in South America, but that is the only suggestion I have received so far.

Please send suggestions for additions via the contact form at <http://trentinogenealogy.com/contact>, or by posting your suggestion in our Facebook group at <https://www.facebook.com/groups/TrentinoGenealogy/>.

US states and cemetery names are listed in alphabetical order.

Warm wishes,
